## 5. Note

- ① It is not allowed to bring cars to Hospital Campus between April 2nd to 8th for the Student Medical Checkup.  
Please use public transportation, bicycle or motorcycle.  
There will be a special temporary bicycle parking space next to Alumni Hall.
- ② Please bring your student ID (except Newly Admitted Students) and pens/pencils with you.  
When you undergo a chest X-ray examination, you have to take off underwear on the top half of your body.(brassiere camisole etc.)  
If you want to wear a T-shirt when having your examination, bring a plain black or white T-shirt with you.
- ③ Please be sure to come on time.
- ④ Please be sure to attend this checkup as we have requested all department supervisors not to hold a class during the designated time (for either Morning or Afternoon class).
- ⑤ If you are unable to take the checkup during the designated time, please take the checkup during the following days instead.  
•Newly admitted students may take the checkup on April 2nd, 4th or 5th.  
•Other students may take the checkup on April 3rd or April 8th.  
•Those whose designated schedule is April 10th to 19th, may take the checkup between April 10th to 19th(except Saturday and Sunday.)  
※No appointment required.
- ⑥ For the students of Graduate School of System Life Science, please take the checkup at the nearest place of your department or classes.
- ⑦ If you are a research student, a special student, an auditing student, a partial course student, a special research student or a special auditing student, please attend on April 3rd or designated schedule of your department after April 8th.  
Visiting Researchers and Research fellows are not eligible to take this checkup.
- ⑧ For freshmen, first-year Master students and first-year doctor students majored in SLS, we will hand out urine test containers.  
Please be sure to put your urine into the container before you come to the checkup.
- ⑨ For all international students, please take the checkup on the designated time of your department as mentioned on Page 1 and 2.  
※We will inform separately to student who belongs to International Student Center.
- ⑩ We can issue a Medical Certificate upon your request. The certificate is often required when making an application for scholarships, TA/RA positions, jobs, participating teaching practice, internship, clinical training, etc.
- ⑪ If you need any special assistant, please contact the student support section by e-mail in advance.  
(e.g., physical disability, mental disorder, chronic health condition, developmental disorder, and gender dysphonia)
